Who are the key players in Syria's Civil War?

Here's a look at the key players. Syria's civil war started in 2011 after an uprising against Assad's rule. Five foreign powers have a military presence in the country: the United States, Russia, Iran, Turkey and Israel. Forces opposed to Assad, along with U.S.-backed fighters, had controlled more than a third of the country.

What is Syria's political future?

Syria's political future therefore carries global significance, and all eyes will be watching as its new leaders seek to control the fractious country, navigate its complex alliances, and rebuild a nation scarred by years of conflict and division. Who has taken power Syria?

Who are the rebels in Syria?

The stunning fall of dictator Bashar al-Assad in Syria thrusts several rebel groups and foreign powers into the spotlight as they vie for control and influence. There are Turkish-backed rebels and Sunni Muslim jihadists in the north, Kurds ruling over much of Syria's east, and Jordan-backed militants in the south, among others.

How will Syria's fall impact key players in the Middle East?

For Russia, Syria's fall could mean losing its closest Middle Eastern ally and undermining its ability to project power while it fights a war in Ukraine. For Iran, it could shatter its so-called Axis of Resistance, comprising allied states and militias. Here's how the events in Syria could impact key players in the Middle East:

Will Syria's new leadership be able to govern a fractured country?

With Assad's 24-year rule brought to an end, the world will watch closely as Syria's new leadership attempts to govern the fractured country.

Will Syria reshape the balance of power in the Middle East?

The Syrian government has been toppled, and its leader sent into exile, a seismic shift poised to reshape the balance of power in the Middle East. Rebels seized the capital Damascus over the weekend, having captured Homs and other smaller cities in a lightning-fast offensive that took the incumbent government by storm.
