Who is A1A solar contracting?

Read reviews for A1A Solar Contracting, Inc., a Solar PV, Energy Storage company since 2010 based in Jacksonville, FL.

What do you think about A1A solar?

While I appreciate the initial service and support provided by A1A Solar, I believe that greater transparency and better customer care are essential for maintaining trust and satisfaction. I hope that A1A Solar will take these concerns seriously and work towards providing a fair and reasonable resolution.

When did A1A move to Fernandina Beach?

We moved into the Fernandina Beach area in July 2022. We were in communication with several solar installers. After contacting A1A we met with Sean Smith (Senior Solar Consultant). Sean walked us through the process, explaining in detail the advantages of going Solar.

Who designed my Tesla Solar System?

Ellen C., Angie R., Virginia J., John C., and Cliff L. did an excellent job of designing my Tesla Solar system. Use of the Bodhi App made it so easy to keep track of the entire process and progress of my project. It also served as a one-stop shop to communicate with everyone as well.
