Why is ABB a partner of Egypt?

ABB is a partner of Egypt because it supports Egypt's goal of becoming an energy hub and a center for export-oriented industrial production. For ABB, Egypt is its hub for the Near East, North and Central Africa. Energy is a prerequisite for industrialization and ABB is proud to be a part of this process in Egypt, according to ABB CEO Dr. Ulrich Spiesshofer.

How much money has ABB invested in Egypt?

ABB has invested over 200 million USD in expanding and upgrading its facilities in Egypt in the last decade. About 20 percent of ABB's production in Egypt is currently exported; the target is to increase that figure to 25 percent.
