"Equatorial Guinea has much bigger problems than this sex scandal," said Mr Cruz, who works for a rights organisation called GE Nuestra. "This sex scandal for us is just a symptom of the ...

Equatorial Guinea has never experienced a peaceful transfer of power through elections. President Obiang took power after a coup in 1979, and in 2016 he appointed his son as vice president, paving the way for his succession. The November 2022 elections featured extensive irregularities and no genuine competition.
