

Hello solar reviews Ivory Coast

Is Hello solar a good company?

Two of the helpful staff (Ahsan and Helen) were in touch straight away. If you are looking for a stress free solar experience, then Hello Solar should be on the top of your list. Exceptional Customer Service! Can not fault the process from start to finish the staff at Hello solar and installation. Customer service is stellar.

Is Hello solar in breach of contract?

The completed install was way overdue and Hello Solar were in breach of contract. No apology, just running away as fast as they could with exception of the tech support person. My best advise ...use anyone but Hello Solar.

Did Hello solar deliver what they promised?

Hello Solar delivered what they promised! From the time of acceptance of their quote, everything went through as scheduled. Installation crew were very professional, turned up on time and completed all works efficiently. Correspondence with the energy retailer were copied to us to keep us in the loop. Would not hesitate to recommend Hello Solar!

What's a bad experience with solar Victoria?

Sales process went smoothly (of course), however the installation was poorly done and request for service to correct the problem led nowhere. Had to make a complaint and escalate via Solar Victoria, which then led to a result. Show details Horrible experience. No customer service at all. Requested installers to come and check the leaking roof.
