You can only do this once a week so be sure not to miss it.

I recently had an exceptional experience with Infinity Energy. After conducting thorough research online and through Energy Sage, I received a quote from their sales representative, Andy. He was genuine, knowledgeable, and helpful throughout the entire process. I decided to replace my roof and install solar panels through Infinity Energy.

TLDR - It is currently May 2022. I have been waiting for an installation from Infinity Energy since August of 2020. Awful communication, failed installation dates, and outright lies. Long version - As mentioned above I have been waiting for an installation from Infinity Energy since August of 2020. I am still waiting.
