<div class="df_qntext">What is solar & storage live Italia?

We're excited to announce the launch of Solar &Storage Live Italia! Due to the increased demand in Europe,it's time to create another forward-thinking,challenging and exciting renewable energy exhibitionthat celebrates the technologies at the forefront of the transition to a greener,smarter,more decentralised energy system.

<div class="df_qntext">When is terrapinn solar & storage live Italia launching?

Terrapinn are excited to announce the launch of Solar &Storage Live Italia,8-9 October,Verona.

<div class="df_qntext">How much solar power does Italy need?

They also believe that Italy must install 80 GWh of new large-scale storage capacity to effectively integrate new power into the grid. Solar PV represents 58 GWout of this 85 GW of new renewable energy sources. To achieve this will require 309 billion EUR of overall investments in the electricity sector and associated supply chain.
