

What is the purpose of NFC in Pakistan?

The National Finance Commission (NFC) in Pakistan is established under Article 160 (1 and 2) of the third constitution, which outlines its duties to provide the president with recommendations about net taxes, producing grant aids to the provinces, and matters related to finances for commissions by the president.

How many NFC awards has Pakistan received?

Pakistan has received seven National Finance Commission (NFC) awards since 1975.

How did the 7th NFC award affect Pakistan's economy?

Economic Challenges Through the 7th NFC Award, Pakistan's federal government and its provinces exchanged financial resources to enhance local governance; nonetheless, this led to a decline in federal revenue, 57% of the total federal pool goes to the provinces (Khan, 2023).

Is Pakistan using matching grants in NFC awards?

In 1996, Pakistan used matching grants in the NFC awards. Considering the tight fiscal space and increasing targeted spending, Pakistan must add matching grants under the NFC awards. The NFC can finance, for instance, SDGs spending on a matching grant basis.

How does the NFC work?

The National Finance Commission (NFC) in Pakistan operates according to the formula where taxes collected by provinces are pooled and then the federation redistributes them to the provinces, based on income, sales and purchase, export duties, excise, and other taxes.

What is National Finance Commission Award (NFC)?

The National Finance Commission Award or NFC is a series of planned economic programs in Pakistan enacted since 1951.
