

# Puerto Rico marstek battery

How much will Puerto Rico spend on solar & battery storage?

SAN JUAN, Puerto Rico: The U.S. Department of Energy announced on December 12 that US\$365 million will be allocated to install solar and battery storage systems in homes and healthcare centers across Puerto Rico.

What is a Mars battery system?

MARS series is an integrated battery system that stores solar energy for backup, so when the grid goes down your power stays on. When system detects outage, automatically recharges with solar energy. How does it Work at Home? With modular design, compatible with a variety of home styles and solar systems.

Why did you buy marstek power station?

I have been using MARSTEK to decorate my home with practical and useful items for the kitchen, office and bath. Lots of love to MARSTEK for creating easy to use sustainable items. I purchased this power station for the two main reasons: emergency power supply and self-driving trips. I'm very impressed with MARSTEK when I get it.
