How many followers does secodi have?

Secodi | 3,433 followers on LinkedIn. Innovative Power Solutions | Founded in 1978, SECODI is a Nantes-based company that supplies parts and components for engines, hydraulics, transmissions and integrates power solutions for machines in the agricultural, public works, handling, generator and other sectors.

What countries does secodi serve?

Today, in addition to France, Secodi companies serve customers in Turkey - where Power TK recently celebrated its 10 th anniversary, as well as Finland, Spain and francophone countries in Africa. Secodi distributor principal, Yannick Billy, outlines the reasons for Secodi's success and its plans for the future.

What services does secodi offer?

In addition to their engine customisation and support services, Secodi operates a Perkins authorised training centre, offering hands-on courses in a variety of subjects for Secodi and customer personnel. It also provides on-site train-the-trainer programmes for original equipment manufacturers (OEMs) who then train their own personnel and networks.

Where is secodi based?

Secodi has a digitally enabled warehouse in Nantes, Western France with over 13000 genuine parts ready for immediate shipment. Secodi is a French family-owned company formed in Nantes in 1978 by Jacques and Marie-Paule Fétis. Secodi is an official partner of the Perkins brand for the supply of engines and original spare parts.

Does secodi sell diesel engines in France?

Within France, in addition to diesel engine products and services, Secodi also supplies genuine replacement parts and field support for several of the leading international hydraulic and transmission suppliers such as Bosch Rexroth, Bondioli & Pavesi, Danfoss, Dana, Spicer Dana, Carraro, Twin Disc.

Is secodi preparing for the Perkins alternative power products?

Secodi also is preparing for the success of the Perkins alternative power products, announced in 2022. They are already actively transferring engineering expertise from sister company DINTEC which has over 10 years successful experience of delivering successful electrification projects.
