

St Vincent and Grenadines ecostal group

Although traffickers exploit Vincentian and foreign victims domestically or abroad, the human trafficking market appears to be limited in St. Vincent and the Grenadines. Reportedly, women from abroad are sexually exploited in the country, while concerns regarding the facilitation of child sex trafficking by parents and caregivers have been expressed.

Saint Vincent and the Grenadines, like the rest of the Caribbean region, first experienced extraordinary volumes of sargassum within their nearshore waters and washed up on their beaches in 2011. Since then, influxes have been ...

The systematic warming of the planet is directly causing global mean sea level to rise in two primary ways: (1) mountain glaciers and polar ice sheets are increasingly melting and adding water to the ocean, and (2) the warming of the water in the oceans leads to an expansion and thus increased volume. Global mean sea level has risen approximately 210-240 millimeters ...

Trends in climate -- past, present and future -- always need to be understood in the context of the naturally occurring variability. Climate variability here, refers to the ways how climate conditions (e.g., temperature and precipitation) "flicker" from year to year within their respective typical "range of variability". The cause for this natural variability can be due to quasi ...

Staff in St. Vincent and the Grenadines are assisting the National Emergency Management Agency (NEMO) with information management and digital support at the National Emergency Centre. Plans include providing cash transfers for immediate food and cash assistance in Grenada and Saint Vincent and the Grenadines, based on assessed damages.

The islands lie on a shelf, extensive in the Grenadines but narrow around St. Vincent itself, The Grenadines' shelf extends up to three times further to the east of the main chain of islands than to the west (see Fig. 3). This shelf is not uniformly shallow (Wells, 1988), but is marked by a ridge on its eastern margin of some relic reef system (D'Anglejan and ...
