

Sunking solar Seychelles

What makes Sun King a great solar company?

The company's customer-focused approach and commitment to affordability drove its rapid growth across Africa and Asia. Today, Sun King operates the world's largest direct-to-consumer, pay-as-you-go (PAYG) solar distribution network, growing by 150,000 new clients per month across seven countries.

Is Sun King a global off-grid solar company?

It also has a presence in Zambia, Uganda, Tanzania and Nigeria, where it says its customers tripled over the last one year. "This investment in Sun King marks an incredible inflection point for the global off-grid solar industry," said Walsh.

Why is Sun King a leading solar provider in emerging markets?

Sun King's growth has been supported by strategic partnerships. Collaborations with companies like Verto and Citi have made solar energy more attainable by offering customers flexible payment plans. These alliances have strengthened Sun King's position as a leading solar provider in emerging markets.
