

Suriname starplus tubular battery

What is the warranty period for a StarPlus 12V 220ah battery?

Warranty period is 12 months Starplus 12v 220ah tubular batteries are specially designed to be used with home and industrial inverters where traditionally flooded tubular batteries are typically used. Most inverters have chargers with high-ripple content that cause the shedding of active materials in the battery plate.

Are StarPlus batteries eco-friendly?

Starplus batteries are eco-friendly and are capable of being completely recycled, thereby minimizing wastage, and living up to their responsibility towards the environment. We use the quality material with advanced technology to give the best to all our customers.

Who is the best tubular inverter battery manufacturer in Nigeria?

Starplus Batteries is the top and best tubular inverter battery manufacturer company in Nigeria. We are the best battery suppliers in Nigeria. The Starplus Research and Development team is always researching how to make inverter batteries better and more reliable.

What is a tubular inverter battery?

Tubular inverter batteries are also the best for applications that require high power. A tubular inverter battery is made to last very long. It has a longer duration of service when compared to a flat plate and gel batteries. They are also more durable and give the longest warranty period to customers.

What is a long lasting tubular battery?

A long lasting tubular battery is a lead-acid battery designed to have a longer lifespan than regular lead-acid batteries. These batteries are commonly in use in applications where it requires a reliable and long-lasting power source, e.g., backup power systems, solar power systems, and inverter systems.

Are tall tubular batteries a good choice in Nigeria?

The tall tubular batteries feature vent plugs with water level indicators and with 3-4 years warranty, require ultra-low maintenance due to low antimony, and serve very efficient hybrid applications. The heavy duty tall tubular batteries in Nigeria have an ultra-low rate self-discharge system and designed cycle life C10 discharge.

by Aminu Mutiat | Jan 17, 2023 | Inverter Battery, Tubular Inverter Battery. Tubular batteries feature a high potential to meet your 24 hours power supply demand at home or office spaces. It is only the right choice that matters. The right tubular battery can change your everyday living habit and make it better with constant electricity...

Star Plus is a Tubular Battery Brand Owned by Metal Manufacturing Nigeria Ltd (MMNL). It is a ISO 9001:2015 certified company. Star Plus is the 1st Ever Designed & Made in Nigeria Tubular Battery ...

Suriname starplus tubular battery

STARPLUS 220ah/12V Tubular Battery quantity. Add to Cart Order via Whatsapp. Add to Wishlist. Compare. Share. Facebook Twitter. Description; Reviews (0) Description. STARPLUS 220ah/12V Tubular Battery. Reviews ...

Starplus 12v 220ah tubular batteries are specially designed to be used with home and industrial inverters where traditionally flooded tubular batteries are typically used. Most inverters have chargers with high-ripple content that cause the ...

The cost of tubular inverter batteries varies per design, size and purpose. Here are some common uses of tubular batteries: Tubular batteries can be integrated into solar power generation. Energy backup acquired from solar power reduces grid dependence. Tubular batteries are used in the UPS system necessary to protect electronic devices.

Star Plus 220Ah 12V Tubular Battery Highlights: Batteries designed for deep cycle inverter application. Excellent charge acceptance; Long life-high pressure casting machine used for positive plate; Long shelf-life no fresh charge ...

Our tubular inverter batteries come in different capacities ranging from 130AH to 240AH. These inverter batteries not only last long but are incredibly powerful too. Starplus 12v 220ah tubular batteries are specially designed to be used with home and industrial inverters where traditionally flooded tubular batteries are typically used.

A Comprehensive Guide to Choosing the Right Battery Manufacturer. by Aminu Mutiat | Nov 26, 2022 | Tubular Inverter Battery. Batteries are mobile powerhouses of energy. They supply power to lights, GPS devices, cameras, inverters, music players, and many other electronic gadgets.

On average, Star Plus tubular batteries only lose 12% to 15% of charge in a month when not in use. Apart from that, we offer a 24-month warranty on all of our batteries. So, if you are seeking a reliable inverter battery, don't miss out on the advantageous features of Star Plus batteries to meet all your power backup needs.

Our tubular inverter batteries come in different capacities ranging from 130AH to 240AH. These inverter batteries not only last long but are incredibly powerful too. Starplus 12v 220ah tubular batteries are specially designed to be used with ...

Star Plus manufactures the best Tubular Inverter Batteries in Nigeria. Their high storage capacity and automated energy adjustment capacity can reduce excessive energy usage. Continue reading this blog to learn how ...

Star Plus 220Ah 12V Tubular Battery Highlights: Batteries designed for deep cycle inverter application. Excellent charge acceptance; Long life-high ...

Suriname starplus tubular battery

A tubular inverter battery is a lead-acid battery as well. However, it is much bigger when compared to a flat plate inverter battery. Tubular batteries are the best type of inverter batteries in Nigeria. This is indisputable, as they can be used in areas that have frequent power cuts.

Starplus offers long-lasting inverter tubular batteries. Starplus tubular inverter batteries come in different capacities ranging from 130AH to 240AH. These inverter batteries not only last long but are incredibly powerful too. The warranty ranges from 36 (18+18) months to 60 (36+24) months.

Tubular Inverter Batteries are specially designed to sustain deep discharge cycles. High-capacity tubular inverter batteries can be used in adverse conditions. ... We at Star Plus Battery specialise in manufacturing resilient tubular inverter batteries for multiple household and industrial operations. If you are looking to purchase a tubular ...

Starplus is the leading inverter tubular battery dealer in Lagos. Our battery manufacturing plant is fully equipped with advanced technology & machinery. We take pride in our high-quality standards, so we exactly design and manufacture our batteries using superior-quality components and materials.

Battery business is estimated to be 720,000 units of Lead Acid Tall Tubular batteries per year. Demand for the products in the tubular storage battery sector is growing at 20% CAGR per year. MMNL owned STAR PLUS Brand is "Number 1 Brand" in the Tubular Battery Storage with a first company ever having its manufacturing plant in Nigeria.

STAR PLUS BATTERY - LIGHTING UP NIGERIA'S FUTURE. The tubular inverter batteries feature a high backup solution, low maintenance needs, ... Star Plus Tubular Inverter Batteries: Special Features and Qualities. Model No. Box Type: Ah Capacity: Length: Width: Height: Total Warranty: SP22000 XB: IT500: 220: 505: 190: 410:

Starplus 12v 220ah tubular batteries are specially designed to be used with home and industrial inverters where traditionally flooded tubular batteries are typically used. Most inverters have chargers with high-ripple ...

Tubular Inverter Batteries can withstand heavy loads for a considerable timeframe and offer long-lasting power backup. ... We at Star Plus Battery emphasise the importance of offering only high-quality tubular batteries. If you are setting up a home backup or a commercial system, you need to know about the role of a battery's lifespan. ...

Suriname starplus tubular battery

Nigeria and its unreliable power grid condition make it imperative that you choose a suitable power backup solution. An inverter and a battery make a fine combination that aptly supplies power to your appliances during power outages. Charging a tubular battery can be a tricky task. Many people are not aware of how to charge this battery correctly.

The company integrated vertically to use Pure Lead to produce 1st Indigenous Battery with the Brand name StarPlus. The company has an existing state-of-the-art manufacturing facility at Ikorodu Sagamu Road, Vill: Gbara, Sagamu LGA, Ogun State, Nigeria.

Metal Manufacturing Nigeria Limited set off it's journey with led production back in 2010. After a Decade, MMNL has ventured into production of Star Plus Tubular Battery. Star Plus is a Truly Designed & Made in Nigeria Product providing thousands of employment opportunities (direct & indirect); thereby contributing to the nation's economy.

Role of Manufacturing Superiority in Inverter Battery's Lifespan. by Olori Adesewa | Dec 13, 2024 | Tubular Inverter Battery. Tubular batteries have been the top choice when it comes to selecting inverter batteries. ...

Our tubular batteries are known for their deep discharging rate. On average, Star Plus tubular batteries only lose 12% to 15% of charge in a month when not in use. Apart from that, we offer a 24-month warranty on all of our batteries. So, if you want to buy a reliable inverter battery, Star Plus tubular inverter batteries can be a perfect ...

Safe Disposal of Old Batteries. Tubular batteries contain hazardous materials and require proper disposal. Do not dispose of them with regular household waste. Several battery manufacturers and recycling facilities offer programs for safe and responsible disposal of used tubular batteries. Research these options in your area. A Sustainable Future
