Higee General Information Description. Developer of lithium-ion batteries, battery packs, and systems for energy storage. The company's products cover large containerized energy storage systems, industrial and commercial energy ...

Higee 3.2V 120ah LiFePO4 Prismatic Battery Cell Higee 120AH Batteries can be widely used for ESS, RV, Marine, Yacht, Home solar Energy, UPS, Motor home, Low Speed Electric ...

LiFePO4 batteries are highly safe, have no risk of explosion and fire, and are environmentally friendly, non-toxic and non-polluting. No memory effect - the battery can be charged in any state of discharge, giving you peace of mind. Nominal Voltage: 3.2V Nominal capacity: 120Ah Working voltage: 2.0V~3.65V Dimension: 48

Higee General Information Description. Developer of lithium-ion batteries, battery packs, and systems for energy storage. The company's products cover large containerized energy storage systems, industrial and commercial energy storage products, household energy storage systems, energy storage PCS system, energy management system (EMS), and battery management ...

Higee New Energy's 314Ah energy storage cells maintain compatibility with the mainstream 280Ah cells in terms of size, enhancing system integration adaptability across all application domains of the 280Ah cells. The same-sized 314Ah cells offer a 12% increase in capacity, effectively reducing the overall integration costs of energy storage ...

Firstly, Higee's 314Ah cells have significantly improved cycle life, primarily due to material innovations: 1) The adoption of isotropic, low-expansion raw materials for negative electrode materials; 2) Introduction of low-impedance, long-cycle, ...

This LiFePO4 cell from the renowned HIGEE brand is lightweight and compact thanks to its aluminium housing, which ensures durability and light weight. Brand HIGEE. Features. Chemical composition LiFePO4 Dimensions (W &#215; H &#215; D) 174 &#215; 170 &#215; 48 mm Weight Case made of aluminium

Genuine automotive-grade LTO cell for Tier 1 Manufacturers. Voltage/Capacity/IR highly consistency ensures a long cycle life and exceptional discharge performance. For applications with high requirements like high charge and/or discharge current rate(up to 10C charging currents), long lifetime (>25,000 times) and extreme temperature conditions ...

HIGEE 3.2V 120Ah 4PCS Lifepo4 Battery Cell 3500+Cycle life Rechargeable For DIY 12V 24V 48V 120Ah Battery Pack Solar Wind Energy Storage System

Higee will gradually lay out a full industrial chain covering battery raw material, cell, module, battery system, energy storage system, communication backup power supply and other fields, making efforts to become a leader providing comprehensive solutions in the new energy field.

NOTICE: The Price is for 3pcs 1. High Quality: 100%Grade A, CATL 3.7V 132Ah Lithium-ion NMC battery Cells are manufactured to the highest quality and performance standards. 2. High-Consistency: The Cells with a capacity of 132Ah and a nominal voltage of 3.7V, these cells deliver consistent power and long-lasting energy. 3. Exceptional Safety Performance: Lithium-ion ...

Description Note: For easy assemble, we will weld M6 studs on the cell. Each battery will send 1 pcs copper busbars and 2 pcs nuts.
