<div class="df_qntext">Who is Oman solar systems?

About Us - OMAN SOLAR SYSTEMS CO. LLC Oman Solar Systems (OSS) is a pioneer and leader in offering turnkey solutions in solar energy in the Sultanate. OSS was established in 1991. It is a 100% Omani company committed to the industrial and commercial market.

<div class="df_qntext">Where is United solar based?

United Solar is headquartered in the Sohar Freezone of Oman. Oman was selected as our production base due to its strategic location, well-developed infrastructure, abundant natural resources, and access to global markets.

<div class="df_qntext">Why should you choose Oman solar?

At Oman Solar, we have latest technology by which we can use NATURAL RESOURCES and convert the NATURAL energy into POWER (ELECTRICAL ENERGY). The solar photovoltaic energy is a most viable solution for reliable and remote application in the region because of the availability of the sun for almost 365 days in the year.

<div class="df_qntext">Why was Oman selected as our production base?

Oman was selected as our production base due to its strategic location, well-developed infrastructure, abundant natural resources, and access to global markets. Oman's longstanding commercial ties with the West and other rapidly growing markets make it an ideal base for serving international customers and promoting energy abundance.
